## **To whomsoever it may concern**

This is to certify that **Mr. Manjunath SK** has completed his internship at TelEmpathy, from **30/10/2021 to 30/12/2021**.

He was a part of the Android Development team for TelEmpathy's Android App where his duties included creating dynamic modules for the app as well as maintaining and updating firebase on a regular basis.

He was found to be a very Hardworking & as Someone who is willing to take up difficult tasks and execute them to perfection. His Android Development skills was very vital for the timely launch of the Application. We think that he would be a great asset to any organization in this department.

We wish him all the success in his life & career.
